Vol. VIII, Ed. 3 Wrangell Institute, Wrangell, Alaska January 26, 1966

## TIFFANY AND BRADY TO FAIRBANKS

Mr. Tiffany and Mr. Brady left for Fairbanks January 20 to attend a planning session for a summer program. They expect to return about January 26.

Mr. Gerald Ousterhout, Social Worker from Ketchikan paid the Institute a visit on January 10. He brought us a new student, Sidney Carle. He will visit us again in about a week.

Mr. Richard Deming, Probation Officer from Ketchikan, also visited us on January 10.

Mr. Schrup, Public Health Property Management Officer from Mt. Edgecumbe spent almost a week checking the property at the Health Center. Some unneeded items were transferred to the BIA. The office acquired a small file cabinet in which to keep Student Bank records.

Mrs. Cooper has now taken over the duties of Treasurer of the Student Bank. Mrs. Churchill now has charge of the Student Accounts. A

meeting of all personnel concerned with the Student Bank was held last Wednesday to clarify duties and to determine how the new set up was working.

.....

## BASKETBALL NEWS - A SQUAD

On December 11 we lost our first game of the season by one point. It was a fast hard play but we never got ahead. The half time score was 6-12 with the town ahead, the final score was 22-23 still the town ahead.

On January 12 the Wrangell Institute Eagles played another game with the Wrangell Town Pups. This time the Eagles beat them by 11 points. The final score was 17-28 with the Eagles in favor.

Our next game will probably be on January 26.

We also played the Staff on January 7 and lost by 4 points. Out of four games with the Staff we won only one.

Tommy Sagoonick

## MAINTENANCE NEWS

On December 26 Mrs. McCormick went to work for the Maintenance Office.

The Girls' Dorm is going to be relighted soon. I hope they like the lights that are going to be put up.

The gym floor has been repaired of the damage done by the recent snow and rain.

All the unsafe trees have been cut down around the cabins. They were quite dangerous during high winds.

The Plant Manager wished to thank the boys for keeping the sidewalks and streets clean from ice and snow. He also wished to thank the boys and girls for their fine cooperation in keeping dormitory damage of windows, etc. to a minimum.

A new disposal unit has been installed in the kitchen.

Lloyd J. McClintock, Jr. Area Electrician from the Juneau Office was visiting with his father here at Wrangell Institute. Mr. Lloyd McClintock has been in the Nome District and visited the following villages: Elim, Golovin, Koyuk, Noatak, St. Michael, Savoonga, Shaktoolik, Kotzebue, and Unalakleet. He said every village was fine.

He also visited the movie Sunday night.

Reuben Auliye

.....

"ON A HIKE"

We went on a hike with Mr. Nicholas up to Rainbow Falls. The trees were real high, some trees were cut down.

We saw the Boy Scout camp, we climbed on a tower.

Ferdinand Cleveland

## STUDENT COUNCIL NEWS

During the past month we have been having Student Council meetings and have talked about things that suit the students here at Wrangell Institute.

We have been having parties in the gym every so often and have been having lots of fun.

Our chairman, Mr. Murrell ordered films of the "Little Rascals" and I hope you enjoy seeing them. We have seen some good movies lately and I hope you enjoyed them too.

We ordered soda pop for the store and they will be selling it whenever the order arrives.

## HEALTH CENTER NEWS

Mrs. Ruth L. Holm is our new nurse at the Health Center. Her home is in Gladstone, Michigan. She arrived on Sunday, January 7, 1962. It was a sunny day and she said that she felt as if she had come to a "resort." It was a lot warmer and a lot less snow than when she left Michigan. For the last two years she has nursed at the Hospital in Newberry, Michigan.

Mrs. Mary E. Watson, who has been at the Health Center for the past three months returned to Mt. Edgecumbe January 23, 1962. She will be missed by all of us.

We are glad to welcome Cecilia Charlie back after her successful operation. She returned from Mt. Edgecumbe Hospital on Tuesday, January 16, 1962.

Our respiratory diseases have decreased markedly, but we are still having too many cases of skin infection. Be sure to use plenty of soap and warm water frequently during the day. Clean finger nails would help also.

The Future Teachers of America (FTA) Club of the Wrangell High School has been very faithful in coming to help with the Speech and hearing classes at the Wrangell Institute. Without their assistance it is doubtful that so much could be accomplished.

.....

## TEENAGE BOY OF THE MONTH

The teenage boy of the month is 13 years of age. He is 5' 1" tall and he weighs 102 pounds. He has black hair and a good clear complexion. This teenage boy has a very nice personality and a neat appearance. This boy is in Room H. Who is he?

For the answer look on the last page.

Lillian Matsuno

## BASKETBALL NEWS - PEANUT SQUAD

We have a new basketball team. They are called the Wrangell Institute Peanuts because of their size.

They have already played three games. They lost the first two games and won the third one by 5 points.

They always play the Wrangell Town Team which is about their same size.

The following boys are on the Peanut Team: Center - Peter Jackson and James Itta, Forwards - Thomas Akpik, Ronald Numnik, Pete Roberts, Clyde Ahmaogak, and Michael Boskoffsky, Guards - Eli Varnes, Wesley Matsuno, Walter Mark, Garrett Aukon, and Clayborne Tunik.

We congratulate them for winning their third game of the season.

Tom Sagoonick

.....

## BOYS DORM NEWS

Section 16 and 17 in the Big Dorm and Section 1 in the Little Dorm had the Honor Roll for the month of December. Frankie Jones, John Stein, Tom Sagoonick, Calvin Stein, Robert Mendenhall, Carl Evak, Walter Toorak, and Peter Alexie live in Section 16. They had the honor of picking their own details for the month of January. Guy Okakok, Charles Scheagak, Joseph Ahgeak, Phillip Nicholi, Joseph Panigeo, and Kenneth Leavitt live in Section 17. Bavilla Hill, Mathew Friendly, Eli Tukle, Adam Aposik, and Rober Okitkun live in Section 1.

.....

"Concentrate your thoughts on the work at hand for the sun's rays never burn until brought to a focus." Alexander Graham Bell

## ROOM A NEWS

We are learning lots of things in Room A. Most of us can count to 100 now. Some can count by 5's and 10's to 100. We are learning to do take away problems too.

The boys in Room A are all nice looking, especially when they comb their hair and keep their hands and shirts clean.

Mrs. Lemley will be back in Room A very soon, we all will be glad to see her well again.

.....

## NEWS FROM ROOM C

We are learning to measure. We measured our tables and teacher's desk. We learned to use the yard stick. We measured the black boards and the windows in our room.

Frank Prince

We are reading stories about Abraham Lincoln and Daniel Boone. We like these stories, these men were brave. Daniel Boone was a great hunter. He knew how to deal with the Indians.

We are looking for stories on George Washington. We will read them to the class.

Joseph Evan

.....

## SUNDAY IN THE DORMITORY

Sunday we went to town for church. We went at 10:30 and came back at 12:00. We went in a blue car, then we came back and ate our lunch at the dining room. After lunch we took a rest and got up at 2:00 and went out to play. When we came in from playing we washed our hands and got ready to eat supper, after supper we went to the show, it was a good show about cowboys and Indians, the name of the show was Lone Ranger.

## ROOM D NEWS

Intermediate science classes have been working on a unit The Solar System.

At the beginning of the month the class put together stories on Teeth and Food.

At the end of the month each class wrote stories for a booklet on Cleanliness, Grooming, and Sanitation.

Mrs. Schare's sixth grade class in San Anselma, California sent several scrapbooks that they had made on Canada. They also made Christmas happier for Room D by sending some Christmas surprises.

.....

## ROOM E NEWS

We are working real hard in our room. All of us tried to make good grades. We elected some new class officers because some did not do a good job. The new officers are: William Kagak, President; Joe Panigoo, Vice President; Kenneth Leavitt, Treasurer; Doreen Edwardson, Secretary; and May Leavitt, Sgt. at Arms.

We decorated our room for Valentine's Day. The different colors of crepe paper makes our room cheerful. We put lots of valentines on the wall. We have a happy room now. Our valentine box is done. If you want, make us a valentine for our box.

Our class wrote nice letters to Mr. Dick Ballard, 49th Star Theater because he let us see "Gold of the Seven Saints," a Russian circus movie, and "Nikki." We sure liked Nikki. All of you be sure to write nice letters to Mr. Ballard so he let us come see another movie.

(continued page 5)

## ROOM E (continued)

All of us wrote to the Starland Theater and thanked them for "Swords of Sherwood Forest." We liked Robinhood. We want to say big thank you to Mr. Brady and all the people who take us to the movie. We hope we get to go again.

A letter came from Francis Tulin, Chevak, Alaska. She writes, "I say biggest hello to you. Would you please write me a letter so I can be happy? I been lonely because I didn't go to Wrangell."

Happy Valentine's Day to everybody. Come visit us.

Mary Kaleak, William Kagak,  
and May Leavitt

.....

## MOVIES IN TOWN

This past month we have gone to town to two movies. We saw "Nikki Wild Dog of the North" at the 49th Star Theater. It was very good and exciting.

We saw "Sword of Sherwood Forest" at the Starland Theater. It was about Robin Hood. It was a very good movie also.

We wish to show our appreciation to the managers for letting us see these movies.

Helen Atwater

.....

## TEENAGE GIRL OF THE MONTH

The teenage girl of the month is 14 years of age. She is 5' 2" tall. She has brown eyes and black hair. She has a fair complexion and wears glasses. She is from Room I. She has a very good personality and is one of the most popular girls at Wrangell Institute. Her favorite records are "Calcutta" and "You're the Reason." Who is she? Answer on last page.

## NEWS FROM ROOM F

Last month the girls in Room F were making scarfs, aprons, and skirts. This month the girls changed to Shop and the boys to Homemaking. In shop Mr. Kuckuck taught us how to put straight line on the wood and after we put line on we sawed the wood.

Naomi Evans

Bert Okakok has not been in Room F for five days, he has been in the Health Center.

Albert Friendly

In Room F we have been studying about Southeastern States, Middle Atlantic States, and New England States. We have been learning how they got their names and how cities become big and important. We have been studying their products.

Mike Boskoffsky

.....

## A HIKE

We went on a hike with Mr. Nicholas, twenty boys went. We had lots of fun. Mr. Nicholas ran after the boys, he was far behind. As Mr. Nicholas and I went on, I found a hat. So we went on. We met three young people two girls and a boy. Mr. Nicholas asked them, "Does'nt this hat belong to someone?" There was a little girl there, it was her hat. Then we went on. We finally reached Rainbow Falls. It sure was fun on the way back, but Mr. Nicholas was still behind.

John Jones

Why does a chicken cross the street  
Ans: To get to the other side.

## CALENDAR QUIZ

Have you had time to get acquainted with 1962 yet? Try these questions, you may need a calendar to answer them.

1. 1962 begins and ends on the same day of the week, what day is it?
2. What month is shortest in the number of days?
3. What month has the shortest name?
4. What month has the longest name?
5. What three months end with the same five letters?
6. The names of four months have Latin words for numbers in them, what are they?
7. The letter "T" is in the name of only one month, what month is it?

## Answers:

1. Monday
2. February
3. May
4. September
5. September, November, & December
6. September, October, November, and December
7. August

## HONOR SECTIONS

The boys of Honor Sections have the opportunity to choose the details they would like to do for the following month. All boys of each section must work together and do his part to have an excellent rating in their section. We have to dust furniture, ledges, and closets, sweep and polish floor, make beds neatly, and clean the windows and mirrors. Section 16 and 17 were Honor Sections for December.

Bart Ahsogeak

## FUN AT WRANGELL

This is a real good time of year at Wrangell Institute. There is lots of snow. Sometimes it rains and the snow is sort of wet and some of it melts.

Yesterday we were sliding down the empty road near the school building. We had lots of fun. We were using the sleds that the boys made in shop. They are real nice sleds. We all enjoy the sleds very much. "Thank-you," shop boys and Mr. Kuckuck, for making sleds for us.

Lucille Hopson-Room G

## DRILL TEAM

On Sunday, January 21, the Drill Team put on a drill for the Little Dormers. We were in formation and we made "W" for Wrangell, "I" for Institute. Also, we made an eight formation, and a circle. We were wearing our uniforms. We also made "E" and "D" for Little Dormers. We did a few cheers. The cheerleaders are real good at cheering. I hope we will drill again soon.

Evelyn Stine- Room G

## HOME EC AND SHOP

In school, the boys are having Home Ec while the girls are having shop. This happens on Mondays and Wednesdays for our classroom. Other classrooms have a chance to go on other days. Mr. Kuckuck is the shop teacher. He is teaching us how to use various tools and how to measure boards. We are making boxes. Miss Stepehns is teaching the boys good grooming, foods they should each know how to cook. We are not only having fun but we are also learning many things that will help us later on.

Flossie Hopson-Room G

.....

## SHOP NEWS

The girls in Group D, E, F, G, H, and I have been doing shop work this week. The first thing we learned was what a plane, square, and a gauge was, then we learned how to use them. We girls, sawed blocks, learned how to use a saw, and cut straight. Some girls are very good in sawing a board. Next, we made a square box. Some girls used some different tools. I don't know what we are going to do next.

I hope the boys like the Home Ec that we exchanged with them. But I would like to bake once again.

Anna Stine

.....

## P.E. NEWS

Miss Rulis is our P.E. teacher, we are taking exercises and are learning to rotate and play volleyball. We are also learning to play basketball. Miss Rulis said my room, Room F will play against another class in volleyball.

The boys from Room F are now going to Home Ec while the girls go to shop. The girls are making boxes and the boys are baking cupcakes.

Roslyn Jones

.....

Arthur: "How can I ever repay you for helping me with my work?"

Tom : By money order, cash, or check.

.....

## ARITHMETIC CHAMPIONS

Near the end of each quarter Championship Contests are held in arithmetic. The following students were champions in their classes for the first quarter.

Multiplication.....Anna Stine  
 Division.....Phillip Nicholas  
 Fractions.....Carl Evak  
 Multiplication.....Verna Souall  
 Division.....Clara Kudralak  
 Division.....Flossie Hopson

The second quarter champions were:

Multiplication.....Anna Stine  
 Fractions.....Arnold Brower, Jr.  
 Division.....Isabel Hopson  
 Fractions.....John Stein, Jr.  
 Multiplication.....Flossie Hopson  
 Division.....Edith Kanayurak  
 Fractions.....Isabel Hopson

.....

## SCIENCE CORNER

Scientists for years have studied or worked on things to improve or invent useful apparatus, such as a wheel. The wheel, since the time of primitive man has helped man to move from place to place. Though it is not the only thing which has been invented, it has helped to make the world civilized. Of course not only one scientist has improved or invented things. Many scientists, way back in the time of Alexander the Great, have worked on universal matters. Of course they hadn't found out about some things like the galaxies, and they didn't have modern equipment to study about things like the stars, living things and other things like the surface of the earth. Scientists long ago and today are looking forward to inventing or improving natural and synthetic materials to make useful things out of them. Scientists have taken a good part in civilizing and making things which make life easier and better for us.

Clyde Okomailak

## A-V CLUB

THE SCHOOL PROJECTIONIST CLUB OF AMERICA, State College, Pa., has accepted as members the Audio-Visual Club of Wrangell Institute. The membership formally recognizes affiliation of the local unit with the national organization headquarters in State College, Pennsylvania.

The faculty sponsor of the club is James H. Lemley of the Audio-Visual Department. Officers of the club are Gloria David President; Ida Oyagak Vice-President; Bertlyn Thomas Recording Secretary; Arthur Fields, Jr. Treasurer; Arthur Panigeo Chief Technician. Other club members are: Martha Adams, Bert Kanayurak, Frankie Jones, Walter Toorak, Fannie Brown, Bart Ahsogak, Phillip Masuleak, Harry Kaleak, Beverly Nusunginya, Martha Jane Aiken, Flossie Hopson, Edith Kanayurak, Helen Atwater, Lucy Ningiok, Garrett Aukon, Stanley Nusunginya, Charles Brower, Cora Jimmie, Marilyn Panigeo, Clara Kudraluk, and Lucille Hopson.

The club is one of 1200 School Projectionist Clubs organized in the United States, Canada, and Mexico for the purpose of carrying on the duties and responsibilities of the projection of the Educational motion picture and other audio visual aids in the classroom. Each club member must qualify by meeting the requirements as set up by the National organization. The Executive Director of the National club is Philip Mannino, a staff member of The Pennsylvania State University who acts in an advisory capacity to the school clubs. His manual "ABC'S OF AUDIO VISUAL EQUIPMENT AND THE SCHOOL PROJECTIONIST MANUAL" which is used in more than 100 colleges and universities is the official handbook for the group.

.....

## ROOM I NEWS

Room I has just completed a solid week of testing. These tests were called mid-year examinations. Mr. Dow said he thought it would be a good idea for us to get used to these types of tests as we might run into this sort of thing in high school. These mid-year tests covered all subject matter we had had so far this year. We had to study hard for these tests but we all did pretty well. These tests formed a part of our mid-year run.

.....

## ROOM H NEWS

Room H has been working on a map of Alaska for about two weeks. We made a map, made reports on Alaskan minerals, furs, towns, capitals, wildlife, weather, manufacturing, transportation, and population.

Harry Kaleak and Mike Leavitt traced the map, then we mixed sand with water, beat it, and shaped the mountains with soap. After the map was finished we put it on

## ROOM H NEWS (con't from page 8)

the bulletin board downstairs.

All of Room H went down and we sang "Alaska's Flag."

Lollie Ekowana & Edith Nageak

.....

## AUDIO-VISUAL NEWS

We had a meeting on December 11 in the school library. The members were discussing and selecting more members to join us in our club.

The ones who were selected were:

Martha Jane Aiken, Flossie Hopson, Clara Kudraluk, Marilyn Panigeo, Edith Kanayurak, Garrett Aukon, Charles Brower, Bart Ahsogeak, Cora Jimmie, Helen Atwater, Lucy Ningiok, Harry Kuleak, Stanley Nusunginya, and Beverly Nusunginya.

We have a good club, we would like to keep it that way. Our advisor, Mr. Lemley, talked briefly to the members about how to meet on certain days for instruction and upkeep of the library. He also gave each member a pin that goes with our club. If you see a blue pin with something written on it like this "Audio Visual Squad" you will know that they belong to the Audio Visual Club.

We also elected a chief technician our last meeting, Arthur Panigeo was elected and he is suppose to teach members how to operate projectors. We also have boys who come on certain days with members and demonstrate on projectors for them. The boys are doing a good job.

Some of the girls take typing and are trying to improve their work. We are hoping to type some of the school paper before we go home. We hope to learn how to type thoroughly and fast without any errors. We members of the club are working real hard and hope to gain knowledge in operating all

Audio-Visual equipment.

The following is a note from our advisor.

"Passed along as general information to all Audio-Visual Squad members, it is to be understood that continued membership in the club is subject to classroom teacher approval. Obligation in the areas of personalities, attitudes, and relationship with fellow students are binding, your classroom teacher takes notice, and can discontinue your membership if necessary."

Bertlyn Thomas

.....

## NEW STUDENT

Mrs. Dow's class has a new student. His name is Sidney Carle. He is sixteen years old, and from Hyda-burg, Alaska. He has four sisters and five brothers. He also attended Hyda-burg School. He is now attending Wrangell Institute. We hope that Sidney will enjoy it here.

Lucy Ningiok

.....

## POOR FELLOW

In the course of one of his lectur trips Mark Twain arrived at a small town. Before dinner he went to a barber shop to be shaved.

"You a stranger?" asked the barber "Yes!" Mark Twain replied, "This is the first time I've been here."

"You've chosen a good time to come Mark Twain is going to lecture to night," You'll go I suppose?"

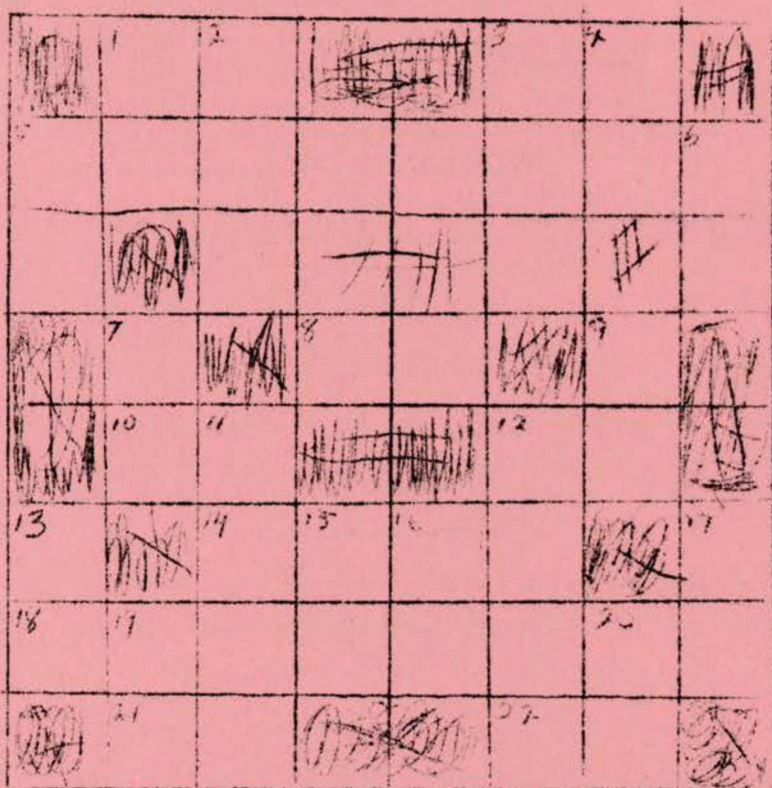

"Oh, I guess so!"

"Have you bought your ticket?"

"Not yet."

"But everyone is sold out, you'll have to stand!"

"How very annoying!" Mark Twain said with a sigh, (con't page 11)

Rocky :: No, it was going.

.....

## HOMEMAKING NEWS

The boys are now taking homemaking instead of the girls. The girls are taking shop.

The boys started their homemaking last week and started their first cooking this week. They will be sewing and learning how to use the sewing machines and other things.

We have learned how to use instant eggs and milk instead of using fresh eggs and canned milk. The first thing we used these things for was cupcakes for Mrs. Oskolkoff's class.

Miss Stephens told us, "When you learn how to cook, you won't have a hard time cooking your own meals and won't have to spend too much money on canned foods."

The girls have been laughing at the boys and the boys have been laughing at the girls. The boys have been telling the girls how to cut wood in two pieces and how to cut wood in two longways.

Well, we sure miss shop and we are having a good time here in homemaking.
